Park House English School is an independent, co-educational, private day school situated in Doha, the capital of the State of Qatar. Founded in 1994 by Mrs Heather Brennan with a current enrolment of 1050 pupils spanning 61 nationalities, the school provides an education in English, which broadly follows the National Curriculum for England and complemented by the International Primary Curriculum (IPC). The school is divided into Early Years (Nursery and Reception), Key Stage 1 (Years 1 and 2), Key Stage 2 (Years 3 - 6) and Secondary (Years 7 - 13), leading up to IGCSE examinations in Year 11, AS Level in Year 12, and A2 examinations in Year 13.

The school campus is modern and spacious. Facilities include an indoor sports hall, 25m swimming pool, a football pitch and a multi-purpose court. There is also a large auditorium, modern ICT suites and a primary and secondary library. The school has recently opened 2 new science laboratories, an additional IT suite and a spacious art and music block. Park House English School aims to provide an excellent all round education for each child in a kind and caring environment. A wide range of academic and extra curricular activities are offered to the children to allow them to develop fully, to build confidence and self-esteem and to respect others.

We aim to enable all our pupils to make the most of their abilities. Through excellent teaching and a positive approach to learning, we encourage our pupils to aim high and also to enjoy their studies. Throughout the school a high standard of discipline and dress is expected and we stress the importance of moral training. We aim to provide a happy, healthy educational establishment. Great emphasis is laid upon close consultation with parents throughout the pupil's time in the school. The Headmaster and teachers are always happy to be consulted.
