Description

For more than 25 years, International Medical Group® (IMG®) has provided global benefits and assistance services to millions of travelers in more than 170 countries. Our comprehensive range of international medical insurance and travel insurance products ensures our members are covered wherever they may go. From expatriates and internationally assigned employees to faculty and staff of international schools and organizations around the globe, we've got you covered. But IMG provides more than just insurance; we provide the Global Peace of Mind® you deserve, backed by a team of professionals committed to being there with you 24/7.
