Description

Hays Education works with British schools around the world recruiting qualified British and Australasian teachers. Recruitment is co-ordinated out of the UK and the UAE and with offices around the world we are well placed to service the International School Community and locate teachers from all corners of the globe. Hays are proud of the growing relationship with the schools and community of BSME. Our recruitment services include: "Bespoke recruitment partnership campaigns" and Leadership recruitment. All compliancy and administration is completed by Hays including references, proof of qualifications, police checks, List 99 checks, proof of ID etc.
