Description

Teachers International Consultancy (TIC) is a leading UK based recruitment organisation. We are true specialists in international school recruitment with extensive experience of the Middle East. We recruit for many BSME schools in Qatar, UAE, Jordan, Libya, Egypt, Oman, Saudi Arabia and Kuwait. We provide a highly professional and personal service to schools. We can assist through the entire recruitment process from CV searches to short listing and interviews. The majority of our candidates are British teachers with recent National Curriculum experience. We recruit across all age ranges, Primary and Secondary and all subject areas. We also recruit for senior management posts. TIC holds regular seminars around the UK in Bristol, Birmingham, Glasgow, Manchester and London in order to attract teachers new to international schools. We offer cost effective recruitment services on a no appointment no fee basis.
