Description

Now in our 16th year, Warwick Mann offer an exclusive service for International Schools and Teachers. As Independent Brokers, we have access to many innovative and discounted schemes designed specifically for International schools. All advisors are fully qualified, and have on average 25 years experience in financial services. We give professional independent advice on: UK & International Mortgages, Healthcare, Pensions, savings & investments, Life & Critical Illness, Income Protection, Education Fee Planning, IHT Planning, Home & Travel, National Insurance & Tax advice and International Wills. To assist with staff recruitment and retention, we have helped many schools improve their employee benefits through group life, health and pension arrangements.
