Special Needs Provision

Comments/Description

Jebel Ali Primary School was founded in 1977 and in 2016 this well established not for profit school relocates to its new state of the art facilities in the Akoya Development. The new Jebel Ali School will be a five form entry through school, which will, in the future, educate students from ages 3 to 18. Through careful planning and differentiation, all children are encouraged to access all areas of the curriculum in order to realise their potential. In Music, Physical Education and Languages, children are taught by specialist teachers.

The Board of Governors is the sole governing body and normally meets twice every term. With the exception of the Head Teacher, all members of the Board of Governors serve in a voluntary capacity. All teaching and support staff hold UK qualifications or qualifications recognised in the UK.
