|----------------------|
|----------------------|

At Dovecote Green Primary School we follow the National Curriculum for England delivered by fully qualified experienced UK trained staff. We strive to challenge all our pupils to realise their full potential in all fields of endeavour. We set high academic standards as well as in personal integrity. Every pupil is valued and our pupils needs are at the heart of our schools. Our discipline, which has clear rules and rewards, relies on common sense, kindness and individual responsibility.

We encourage open and effective communication between our schools and our parents and we seek to engage and work with our parents at every available opportunity.

At Dovecote Green Primary School we aim to develop the whole child, providing a clear framework for academic, social and moral development that makes Dovecote pupils ready for global citizenship in the 21st century.
