Comments/Description

The school's academic programme is divided between the Primary / Junior School (Grades EY1-Year 6) and the High School (Years 7-13). The age level for these grades ranges between 3 and 18 years. The curriculum implemented in the Primary and Junior School is the International Baccalaureate PYP. In High School (Years 7 to 11) students follow the IB MYP. In Years 12 and 13 students undertake the two-year International Baccalaureate Diploma Programme (IB DP) or the Career-related Programme (IBCP). The IB Diploma Programme is a comprehensive and challenging pre-university course that demands the best from both motivated students and teachers.

EIS - Jumeirah was authorised as an "IB World School" by the International Baccalaureate Organisation in 1992. Since our first graduating class in 1993 through to 2015, we have graduated over 1000 students with the IB Diploma. Mr. David Hicks is the Principal of Emirates International School (Email: hicksd@eischools.ae).
