The school has an effective ALN Department that provides systematic support to targeted pupils. A large proportion of pupils have English as a Second Language (EAL) and this provides the biggest professional challenge to our teachers.

---

RAK Academy: British Curriculum Primary School opened in September 2007. It is part of the RAK Academy's group of schools and has a student population of 1365+.

The patron of the school is HH Sheikh Saud bin Saqr Al Qassimi, a member of the Supreme Council of the UAE and ruler of Ras Al Khaimah. The Academy is governed by a School Board and the day to day management of the school is the responsibility of the Head Teacher, Mr. W. Hughes M.Ed; B.Ed (Hons).

The school offers a British style curriculum to its students who are from predominantly local Emirati families. It is a co-educational establishment which has a selection process for its pupils from Year 1 to Year 6. Pupils transfer from Year 6 to the secondary department at the adjacent sister school ([www.rakacademy.org](http://www.rakacademy.org)). The school is well equipped with modern facilities including library, gymnasium, sports hall, swimming pool, theatre and three ICT suites.
